Hamilton's Great Adventure - Retro Fever DLC Download For Pc [Torrent]

Download ->>> <http://bit.ly/2NExoyr>

## About This Game

This map pack contains new levels that bring back the irrepressible charm, and also that daunting touch of hardcore difficulty, that could only be found in the 80's. They are inspired by famous levels found in legendary NES titles and carry names such as It's a me, Hamilton! and Dungeon #9.

Accompanying the levels are brand new and shiny achievements to ensure that your bragging rights are properly boosted as well.
